TRAVEL BAG SELECTION GUIDE

This guide was designed to help you quickly identify the Amerisport travel bag that best fits your needs. Below are some brief points that relate to each bag.

FG-275 Spike N Dunk

- Designed for teams that do overnight travel on a regular basis.
- Unique main compartment is divided so clean and dirty clothes can be kept separate.
- Start with the main compartment completely full of clean clothes at the beginning of the trip.
- As the trip progresses, store the dirty clothes underneath the clean clothes in a separate space.

FG-274 Atlas

- Same concept as the Spike N Dunk in a smaller version.
- Perfect for teams that stay overnight 1 or 2 nights at a time.
- Also great for teams that need a large wet pocket that is easily accessible.

FG-280 Greyhound

- Our most popular team travel bag!
- Great for any team that needs a full-featured travel bag.
- Features include: 3" end pockets, large slip pocket, accessory pocket, and u-shaped opening.

FG-283 Rah Rah II

- When a bag with divided compartments is a necessity, this is a perfect bag.
- Welting included on this bag to increase the visual impact.
- U-shaped zipper opening on the main compartment and 3" end pockets.

FG-205 El Grande

- More volume for the money.
- When budget is a main concern but you still need a large bag choose the El Grande.
- A slip pocket on the side is a perfect display area for a large team logo.

FG-206 La Chica

- Our basic team travel bag.
- Perfect for teams whose players don't carry a ton of stuff.
- Also the choice when budget is the main consideration.
